The undersigned applicant begs to bring the following few lines for kind consideration and favourable orders -

An estimate for Rs 8,000/- for the IInd stage drainge work at Konanur was prepared by the Sanitary Engineer and sent to the Municipality for countersignature and payment of their quota i e half the ~~xxxxx~~ estimated cost

The Municipal Council at their meeting resolved to bear half the estimated cost and countersigned the estimate . Accordingly a sum of Rs 1,000/- as part payment was also credited The Government were pleased to sanction Rs 4,000/- and the same was drawn and paid to the Sanitary Engineer

After this the Sanitary Engineer called for tenders for the above work Accordingly the - applicant put in his tender paying the required security deposit in the month of December 1940

The applicant's tender was accepted and - order of acceptance was communicated to the applicant in the month of January 1941 The applicant executed the prescribed agreement in favour of the Sanitary Engineer and to complete the work in time collected some materials and advanced some amounts to workmen and materials also

when the applicant requested the Sanitary Engineering Department to give instructions and levels for the commencement of the work, the applicant was asked not to commence the work until further orders Accordingly the work has not been commenced hitherto

Now the applicant learns that the Sanitary Engineering Department is not prepared to commence the said work unless the balance of quota of the Municipality is paid The applicant for the above reason is put to a very heavy loss

The applicant most respectfully submits that the Municipality may be insisted to pay up its balance quota when it has committed to bear the half of the estimated cost and countersigned the estimate paying Rs 1,000/- as part payment

Under the above circumstances, the applicant most respectfully prays that orders may kindly, be issued to the concerned authorities to commence the work early and to adjust the balance quote of the Municipality from its treasury cash balance.
